

## How to sponsor a Pennypaws dog and help save a life

Not everyone is able to adopt a dog — but sponsoring one is a beautiful way to make a real difference.

At Pennypaws, we urgently need sponsors to help cover the ongoing costs of caring for the dogs we rescue in Romania. While they wait in safe shelter before travelling to their new lives in the UK, each dog costs around £45 per month to feed. With so many dogs currently in our care, the expenses add up quickly.

We understand that £45 a month is a lot for some, and many of our supporters choose to share the cost of sponsorship with friends or family. But truly, any amount you can give makes a difference. Every penny goes directly to the dogs, **Pennypaws is run entirely by unpaid volunteers.**

As a sponsor, you'll receive updates about your sponsored dog's journey — from the safety of shelter in Romania to the joy of finding a forever home in the UK.
