

Please Consider Pennypaws Rescue When Making Your Will

Leave a lasting legacy for dogs who still need a second chance.

For many of us, dogs have been an important part of our lives. They bring companionship, happiness and unconditional love – and for those of us involved in rescue, we know just how much a safe and loving home can change a dog's life.

By remembering Pennypaws Rescue in your Will, you can help make sure that vulnerable dogs continue to receive the care, safety and chance of a better life that they so desperately need.

A gift in your Will, however large or small, can make a real and lasting difference. It can help us rescue dogs from Romanian kill shelters, provide veterinary treatment and care, and support them on their journey towards finding loving homes in the UK. You can make a difference for dogs in the future

After making provision for your family and loved ones, you may wish to consider leaving a gift to Pennypaws in your Will to help dogs who have nobody else to speak for them.

Every legacy helps us give more dogs the chance of the happy future they deserve. If you are considering leaving a gift to Pennypaws Rescue in your Will, we would be very happy to answer any questions you may have. There is absolutely no obligation, and you can speak to us in confidence.
