

Pennypaws Rescue Adoption Application Form

Important Note

The safety and welfare of both our dogs, and those in the home, is our priority. We do not assess suitability based on age alone. Every application is considered on a case-by-case basis, taking into account the individual dog's needs and temperament, the age and experience of those in the home, and the home environment itself.

Children

As the backgrounds of many of our rescue dogs are unknown, we consider applications from households with sensible children aged 12 years and over, ensuring the safest and most suitable environment for everyone.

Upon applying, the team will be in touch to discuss everything and answer any questions you may have.

Please confirm if you are applying to:
